

NM911 GeoData Provider ArcGIS Eligible Training List

Please note: Requires maintenance – Annual software maintenance must be current.

1. ArcMap Fundamentals (Learning Plan)

<https://www.esri.com/training/catalog/5b733dab8659c25ea7013f8e/arcmap-fundamentals/>

This Plan has 7 courses

Course Name	Course Type	Duration	Cost
ArcGIS 1: Introduction to GIS	Instructor-Led	2 days	\$1,300
ArcGIS 2: Essential Workflows	Instructor-Led	3 days	\$1,950
Basics of Geographic Coordinate Systems	Web Course	1hr, 15min	Requires Maintenance
Finding Geographic Data in ArcGIS	Web Course	2hr, 15min	Requires Maintenance
Creating and Editing Metadata in ArcGIS	Web Course	2hr	Requires Maintenance
Getting Started with the Geodatabase	Web Course	3hr, 30min	Requires Maintenance
Solving Spatial Problems using ArcGIS	Web Course	2hr, 15min	Requires Maintenance

2. Mapping and Visualization Using ArcGIS

<https://www.esri.com/training/catalog/57672eedc9e018c827307aba/mapping-and-visualization-using-arcgis/>

Course Name	Course Type	Duration	Cost
Designing Maps with ArcGIS	Instructor-Led	2 days	\$1,300
Creating Story Maps with ArcGIS	Instructor-Led	1 day	\$650
Inform and Engage Your Audience with Story Maps	Training Seminar	1hr	Free
Getting Started with Cartographic Representations	Web Course	5hr, 30min	Requires Maintenance
Advanced Techniques for Cartographic Representations	Web Course	1hr, 45min	Requires Maintenance
Creating Map Books Using Data Driven Pages	Training Seminar	1hr	Requires Maintenance

3. Get Started with ArcGIS Data Reviewer for Desktop

<https://www.esri.com/training/catalog/5b2957c9e620ca23e653fce0/get-started-with-arcgis-data-reviewer-for-desktop/>

Course Name	Course Type	Duration	Cost
Get Started with ArcGIS Data Reviewer for Desktop	Instructor-Led	1 day	\$650

4. Getting Started with GIS

<https://www.esri.com/training/catalog/57630434851d31e02a43ef28/getting-started-with-gis/>

Course Name	Course Type	Duration	Cost
Getting Started with GIS	Web Course	3hr, 30min	Free

5. Getting Started with ArcMap

<https://www.esri.com/training/catalog/57660c89bb54adb30c94541c/get-started-with-arcmap/>

Course Name	Course Type	Duration	Cost
Getting Started with ArcMap	Tutorial	3hr	Free

6. Introduction to Geoprocessing Scripts Using Python

<https://www.esri.com/training/catalog/57630435851d31e02a43f054/introduction-to-geoprocessing-scripts-using-python/>

Course Name	Course Type	Duration	Cost
Introduction to Geoprocessing Scripts Using Python	Instructor-Led	3days	\$1,950

7. Editing and Maintaining Parcels Using ArcGIS

<https://www.esri.com/training/catalog/57630437851d31e02a43f26e/editing-and-maintaining-parcels-using-arcgis/>

Course Name	Course Type	Duration	Cost
Editing and Maintaining Parcels Using ArcGIS	Instructor-Led	2days	\$1,300

8. Editing Data with ArcGIS for Desktop

<https://www.esri.com/training/catalog/57630437851d31e02a43f225/editing-data-with-arcgis-for-desktop/>

Course Name	Course Type	Duration	Cost
Editing Data with ArcGIS for Desktop	Instructor-Led	2days	\$1,300

9. Building Models for GIS Analysis Using ArcGIS

<https://www.esri.com/training/catalog/57630437851d31e02a43f219/building-models-for-gis-analysis-using-arcgis/>

Course Name	Course Type	Duration	Cost
Building Models for GIS Analysis Using ArcGIS	Web Course	3hr, 45min	Requires Maintenance

10. Building Geodatabases

<https://www.esri.com/training/catalog/57630436851d31e02a43f1d5/building-geodatabases/>

Course Name	Course Type	Duration	Cost
Building Geodatabases	Instructor-Led	3days	\$1,950

11. Getting Started with Geodatabase Topology

<https://www.esri.com/training/catalog/57630430851d31e02a43ee19/getting-started-with-geodatabase-topology/>

Course Name	Course Type	Duration	Cost
Getting Started with Geodatabase Topology	Web Course	3hr, 15min	Requires Maintenance

12. Python for Everyone

<https://www.esri.com/training/catalog/57630436851d31e02a43f13c/python-for-everyone/>

Course Name	Course Type	Duration	Cost
Python for Everyone	Web Course	3hr, 30min	Free

13. Address Geocoding with ArcGIS

<https://www.esri.com/training/catalog/57630436851d31e02a43f0a2/address-geocoding-with-arcgis/>

Course Name	Course Type	Duration	Cost
Address Geocoding with ArcGIS	Web Course	2hr, 45min	Requires Maintenance

14. Map Design Fundamentals

<https://www.esri.com/training/catalog/57630431851d31e02a43ee5a/map-design-fundamentals/>

Course Name	Course Type	Duration	Cost
Map Design Fundamentals	Web Course	2hr	Requires Maintenance

15. Basics of Map Projections

<https://www.esri.com/training/catalog/5763042b851d31e02a43ed61/basics-of-map-projections/>

Course Name	Course Type	Duration	Cost
Basics of Map Projection	Web Course	3hr	Requires Maintenance
